Gasoline/Diesel/Lubricants

November 23, 2021

We are pleased to announce that we have sold our business to Coleman Oil Company effective 12/1/2021. While it has not been an easy decision, my family and I concluded that now is an appropriate time for us to go in another direction. I want to thank you for the many years of business and friendship. My family and I appreciate and value it.

We feel fortunate that we were able to find a company with similar values to our own. Coleman is a third generation family business. They are retaining the staff of Busch Distributors and Sunset Marts. Your contacts will be at the same locations and telephone numbers that you use now. Ian and Bob Coleman look forward to meeting you and are available for other questions you may have.

In an effort to make the transition as seamless as possible account balances were included in the sale. Your final statement from Busch Distributors with purchases through November will become your opening balance with Coleman Oil Company. Any December payments for November or prior purchases will be deposited with Coleman and be applied to your balance. December and future invoices and payments will go through Coleman Oil. Over the next 30-60 days you will receive new CFN cards from Coleman. In the meantime your Busch cards will continue to work. Dispatch, keep fill services and the like will continue as they have been. But feel free to reach out should questions arise.

Again, I want to sincerely thank you for your patronage and friendship over the years.
