Coleman Oil Company is excited to announce that we have signed an Asset Purchase Agreement with Busch Distributors and Sunset Marts Inc. The anticipated closing date for this transaction is early December 2021.

Like Steve and Eric Busch, Ian and Bob Coleman are part of a multiple generation, family owned and operated business. The Busch family and staff have operated a great company with excellent service and a broad product offering. We look forward to continuing that tradition by bringing you the very best customer service and product slate.

We pride ourselves in hardworking, knowledgeable, family-oriented employees that are the cornerstone of our success. While our headquarters is in Lewiston, Idaho, we will be maintaining the Busch Distributors locations, drivers, operations, customer service and accounting staff that you have come to know and trust. The phone numbers stay the same, too. With this acquisition we will proudly own and operate over 100 cardlock fueling locations, 13 bulk plants and 12 retail fuel and convenience stores in Washington, Idaho, Montana and Oregon to meet your requirements throughout the region. Coleman Oil is ready to become your partner and we will work hard to meet your expectations. We invite you to see our complete list of locations and learn more about us by visiting our website at [www.colemanoil.com](http://www.colemanoil.com).

We look forward to being a part of your community and earning your business, your trust, and your friendship.

Sincerely,
